BULLYING POLICY

We take bullying very seriously; Bullying involves the persistent physical or verbal abuse of another child or children. It is characterised by intent to hurt often planned, and accompanied by an awareness of the impact of the bullying behaviour.

If a child bullies another child or children

- We will show the children who have been bullied that we are able to listen to their concerns and act upon them.
- We will intervene to stop the child who is bullying from harming the other child/children.
- We will give reassurance to the child/children who have been bullied.
- We will help the child who has done the bullying to recognise the impact of their actions.
- We will make sure that children who bully receive positive feedback for considerate behaviour and are given opportunities to practice and reflect on considerate behaviour.
- We do not label children who bully as 'bullies'
- We will recognise that children who bully may be experiencing bullying themselves,
